

Mainstage Chicago Plan View

What is Mainstage Chicago?

Mainstage Chicago is perfectly situated to deliver pixel-perfect virtual and hybrid events. Pairing the infinite scalability of cloud-based production with the cinematic flexibility of an immersive cyclorama studio, this all in one Hybrid Studio Space is conveniently located in Chicago's West Loop.

- ✦ 24' x 24' stage with a seamless cyclorama and grid-mounted RGB LED lighting.
- ✦ Hybrid Control Room: Run multiple shows simultaneously.
- ✦ Remote Production Ready: Integrate your at-home studio with our broadcast facility in real time.
- ✦ Secure. Reliable. Internet.

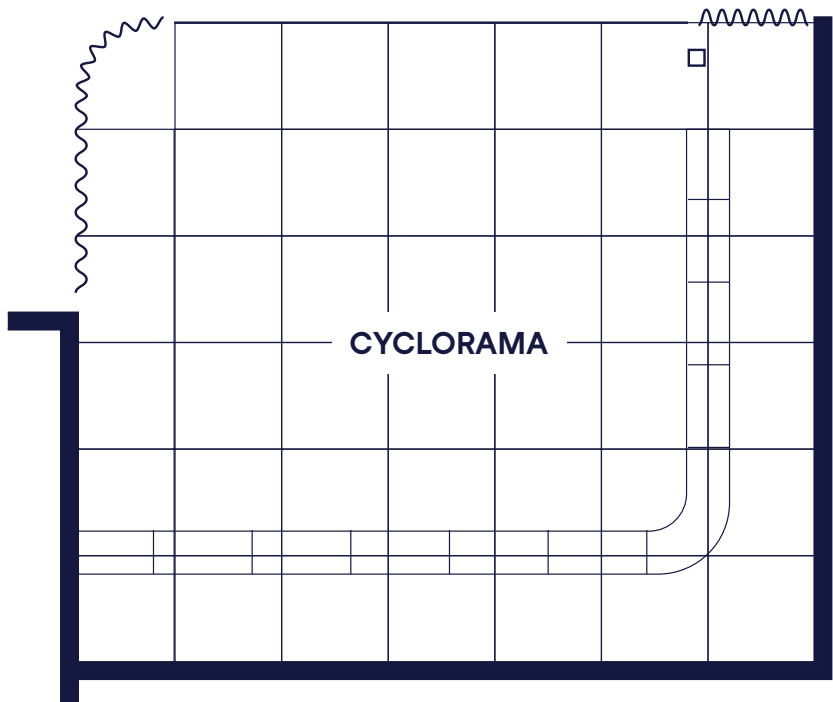

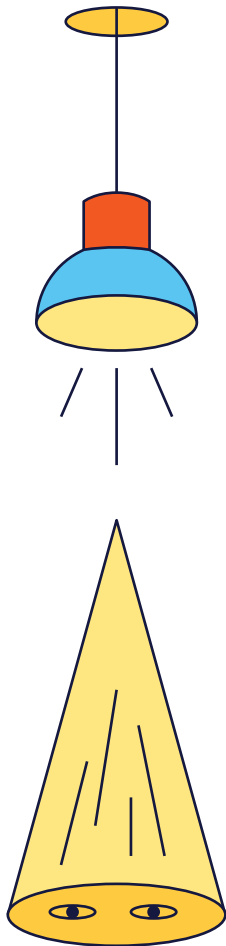

* Can be used as a green room

An Immersive Cyclorama Studio

Mainstage's 24' x 24' x 12' cyclorama studio is the perfect stage for your next virtual event. Lighting is programmable with access to the full RGB spectrum- and since it's all LED, you can shoot all day without worrying about it getting too hot.

- ✦ Fully programmable RGB lighting can create dynamic looks that match your brand standards down to the hexcode.
- ✦ A 4K multi-cam setup allows for flexible programming such as keynotes, panels, or entertainment.
- ✦ Bring in remote guests from anywhere, and interact with them in real-time as if they were right there.

A Safe Space for Remote Production

Built on the principles of cloud infrastructure, our control room can expand infinitely to meet any production needs. Connect remote talent in real-time; direct multi-camera productions from across the world; send any feed to anywhere you like.

- ✦ Bonded fiber Internet with 4G LTE backup means you get the best signal, no matter what.
- ✦ High-powered graphic workstations allow offsite teammates to monitor and direct your production remotely.
- ✦ Every station can be remote controlled enabling us to tap into our global network of technicians and creatives.
